

June 15, 2009

Todd R. Kates, Ph.D.
Chief Executive Officer
United Cerebral Palsy Association of MetroBoston, Inc.
71 Arsenal Street
Watertown, MA 02472

Dear Dr. Kates:

It is my pleasure to inform you that United Cerebral Palsy Association of MetroBoston, Inc., has been accredited by CARF for a period of three years for the following services:

Community Services: Community Housing
Community Services: Community Integration
Community Services: Supported Living

This accreditation will extend through May 2012. This achievement is an indication of your organization's dedication and commitment to improving the quality of the lives of the persons served. Services, personnel, and documentation clearly indicate an established pattern of practice excellence.

Dr. Kates, please also be advised that the CARF surveyors made no recommendations, which signifies that they did not identify any areas of nonconformance to the standards. This is an extraordinary accomplishment, as only 3 percent of CARF surveys result in no recommendations.

Your organization should take pride in achieving this high level of accreditation. CARF will recognize this accomplishment in its listing of organizations with accreditation, and we encourage you to make this accomplishment known throughout your community. Communication of this award to your referral and funding sources, the media, and local and federal government officials will promote and distinguish your organization. Enclosed are some materials that will help you publicize this achievement.

The survey report is intended to support a continuation of the quality improvement of your services. It contains comments on your organization's strengths as well as suggestions you may consider.

Your Certificate of Accreditation is being sent under separate cover. Please note that you may use the enclosed form to order additional copies of the certificate.

If you have any questions regarding your organization's accreditation, you are encouraged to seek support from a Resource Specialist in your customer service unit by calling extension 131.
