

February 19, 2008

Dear Athletes,

On behalf of Michigan Sports Unlimited and all our sponsors it is with great pleasure that we are able to offer our first annual Thunder in the Valley Games to disabled Athletes. It is a pleasure to invite you to our first of many annual games to come. We are working with Wheelchair Sports USA (WSUSA) to become a sanctioned event. We want to come out of the starting blocks by offering a premier Paralympic type event that will grow each and every year.

In our first year we will be offering the following events: Track, field, Archery and Air Rifle and will try to grow from this every year. We are working hard in planning for your arrival. All the coordinators involved in our games want you to come here and have a chance to excel in your sport and feel like you want to return as one of your annual events. We have the use of Saginaw Valley State University's beautiful facilities and think you will be impressed with what we have to offer you. Saginaw Valley State University is also offering housing for athletes, families and coaches for reasonable rates. Please see our accommodations section on the web site for details.

Please put our event on your calendar and send in your application as soon as possible. Also keep an eye on our web site <http://www.thunderinthevalleygames.com> for event and schedule updates. We sure look forward to your participation in the "Thunder in the Valley Games" and are sure you will have a great time while here in Michigan!

Good Luck Athletes and Coaches in all your events of 2008!

Art Hope and Mary Kunz
Events Coordinators, 2008 Thunder in the Valley Games
