

"Life without limits for people with disabilities"

Serving people with disabilities since 1969

Our Past Leads to Your Future....

United Cerebral Palsy of East Central Florida has provided services to local youth and adults with disabilities since 1969. We serve over 600 individuals each year in Volusia, Flagler & surrounding counties. In every aspect of our organization, we remain committed to excellence - excellence in our staff, our services, our leadership and the difference we make in the lives of each individual we serve. In our on-going commitment to provide the highest quality services, our agency strives for perfection and has achieved the highest honors from the Commission on Accreditation of Rehabilitation Facilities (CARF), placing us in the top 3% of all CARF-accredited agencies in the country.

Our Mission

"Inspiring people with disabilities to discover their limitless potential"

United Cerebral Palsy of East Central Florida remains at the forefront of service delivery for individuals with disabilities and offers a continuum of care, which enriches the lives of those we serve throughout their lifespan.

Through our comprehensive array of home and community-based services, our participants to live a "Life without Limits" with increased independence, personal choice and community-based alternatives.

Our Services

Vocational Training: Provides individuals with disabilities a variety of experiences including basic life skills, social skills and job readiness.

Job Placement and Support: Partners an individual with an Employment Specialist who works on a one-on-one basis to secure employment.

Residential Services: Offers in-home and community support programs:

- **Supported Living Services:** Pairs an individual with a Supported Living Coach who provides training and support on how to live in the community.

- **Assisted Living Services:** Includes WORC Haven and Dove Villas, licensed facilities, which provide assistance and training in a home environment on a 24-hour, staff-supervised basis.
